### About Valerie

Based out of the world-class Sudley Farm in West River, Maryland, Valerie Vizcarrondo Pride stays busy as an active competitor, trainer, agent, clinician and judge. She has competed through the five-star level of eventing and holds her FEI Level 2 license, which allows her to officiate through the four-star level.

While Valerie loves the thrill of competing, she finds great pleasure in working with students and horses on a daily, routine basis. Rest assured that anything and everything she does is accomplished with an abundance of enthusiasm and obsessive attention to detail!
